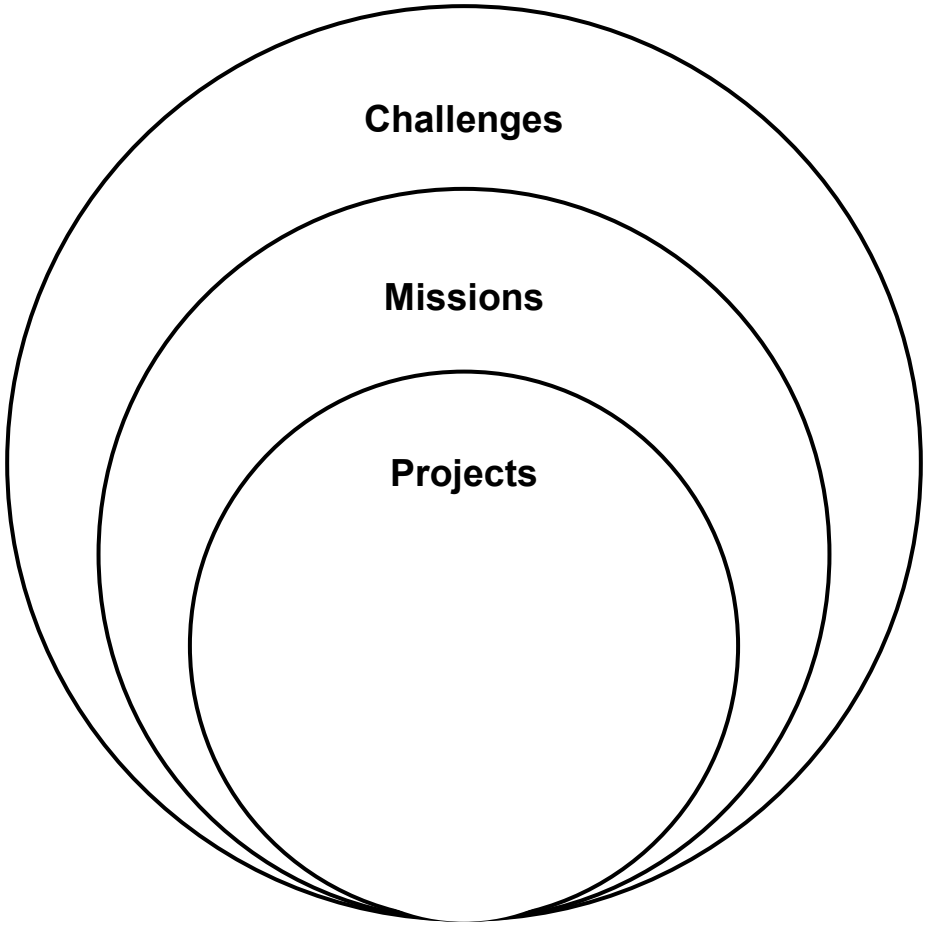
How can cities tackle society's Grand Challenges?

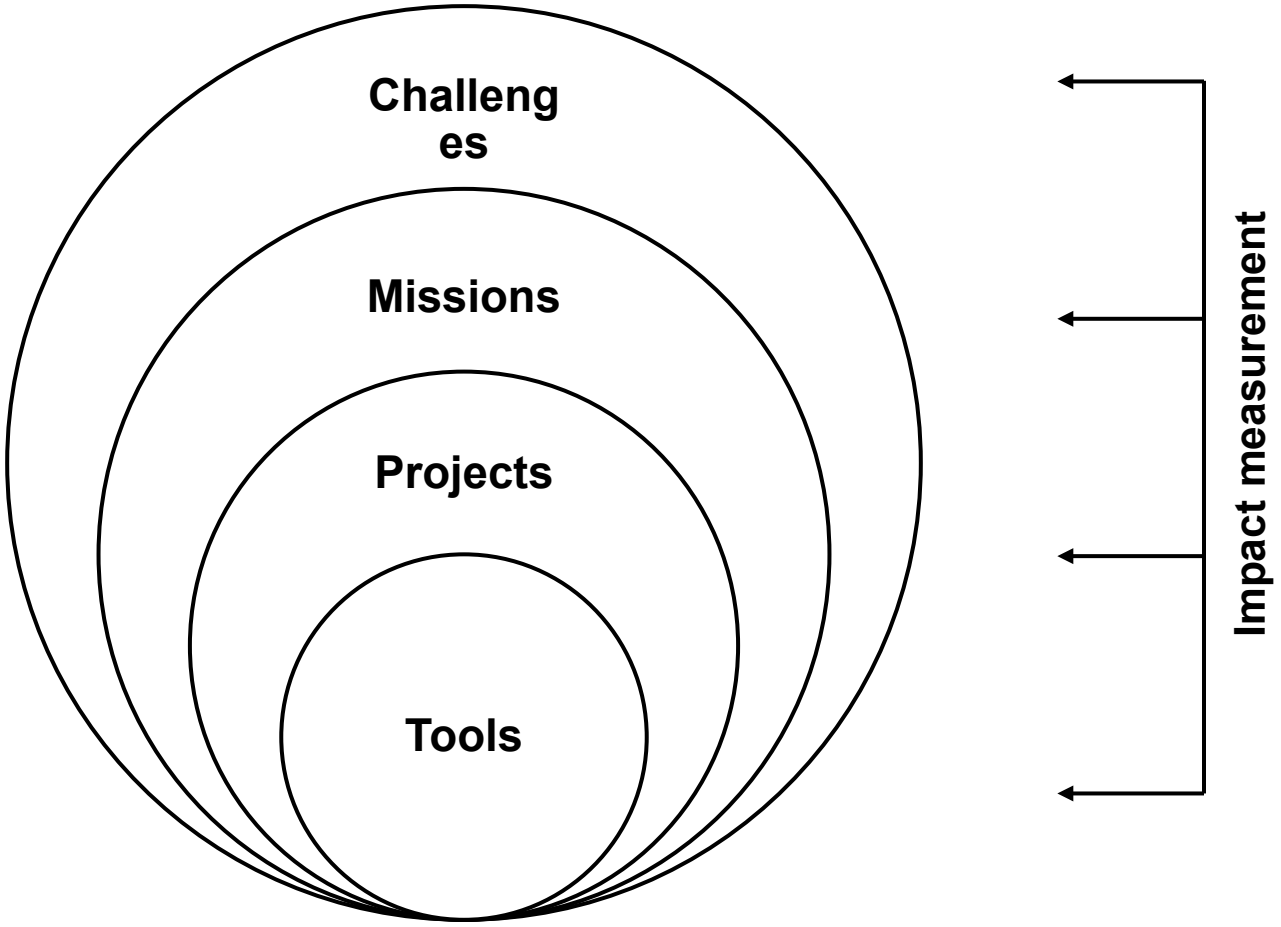
GRAND CHALLENGES

> From challenges to missions

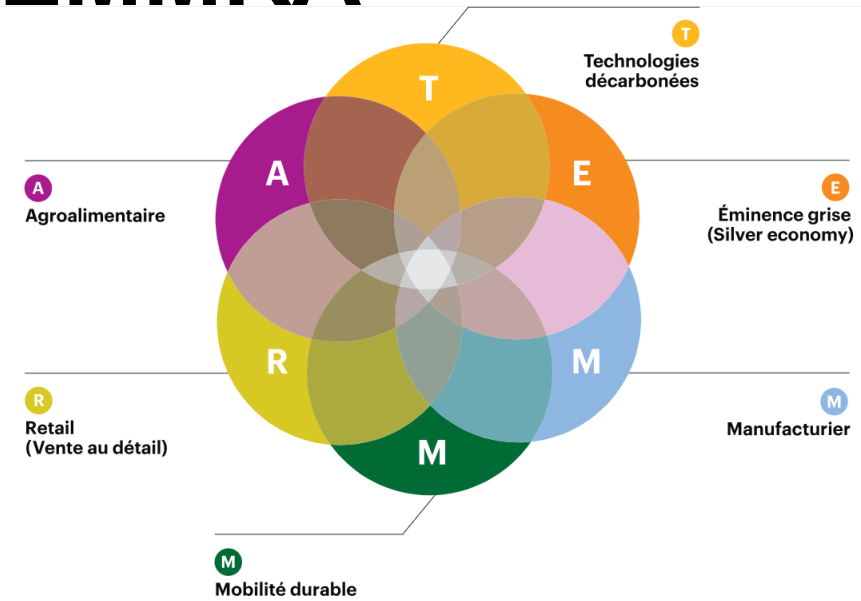
> From missions to projects



> From projects to tools



TEMMRA



A new approach to collective innovation

Nantes & Barcelona

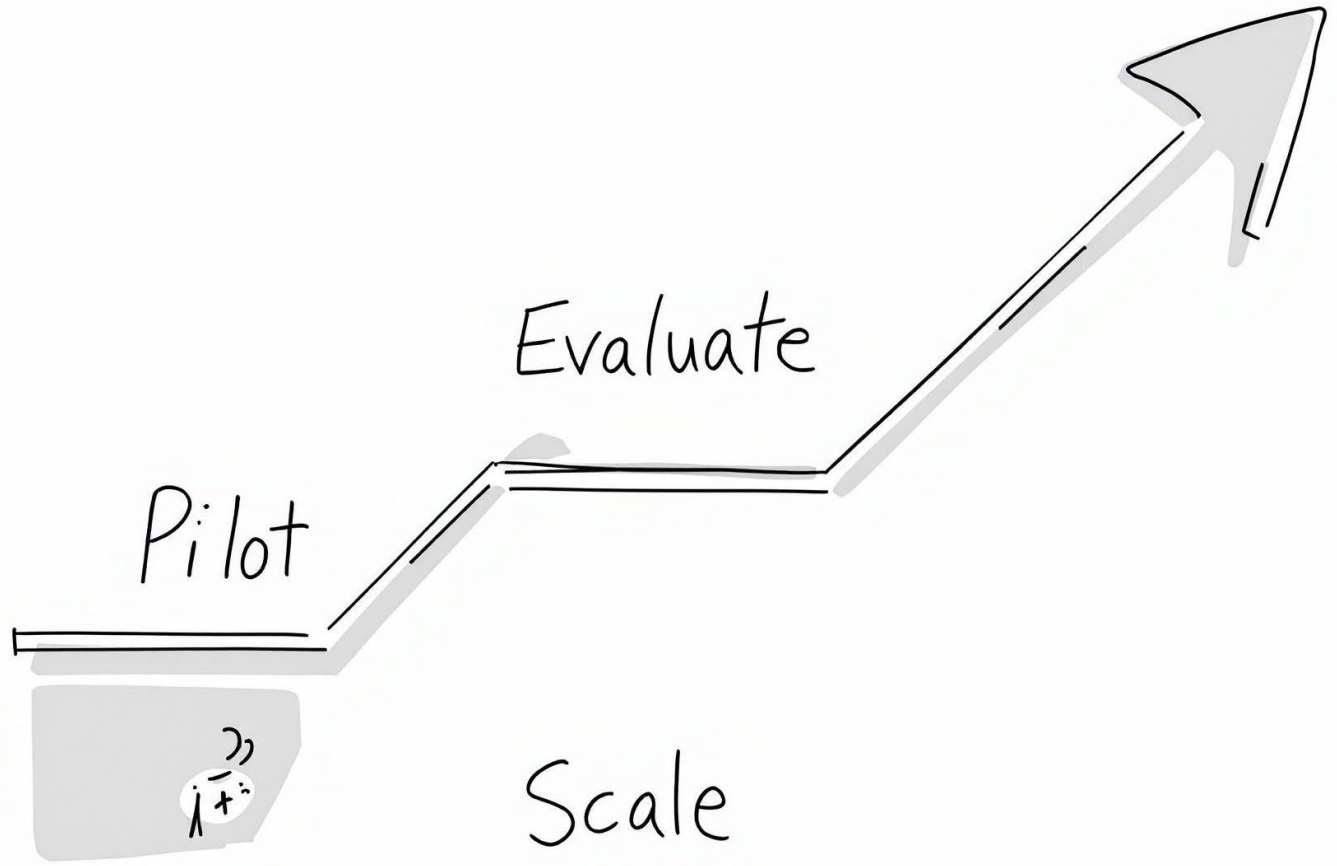
Two complementary models

Nantes

Public Policies in action

Nantes

Iterate and scale

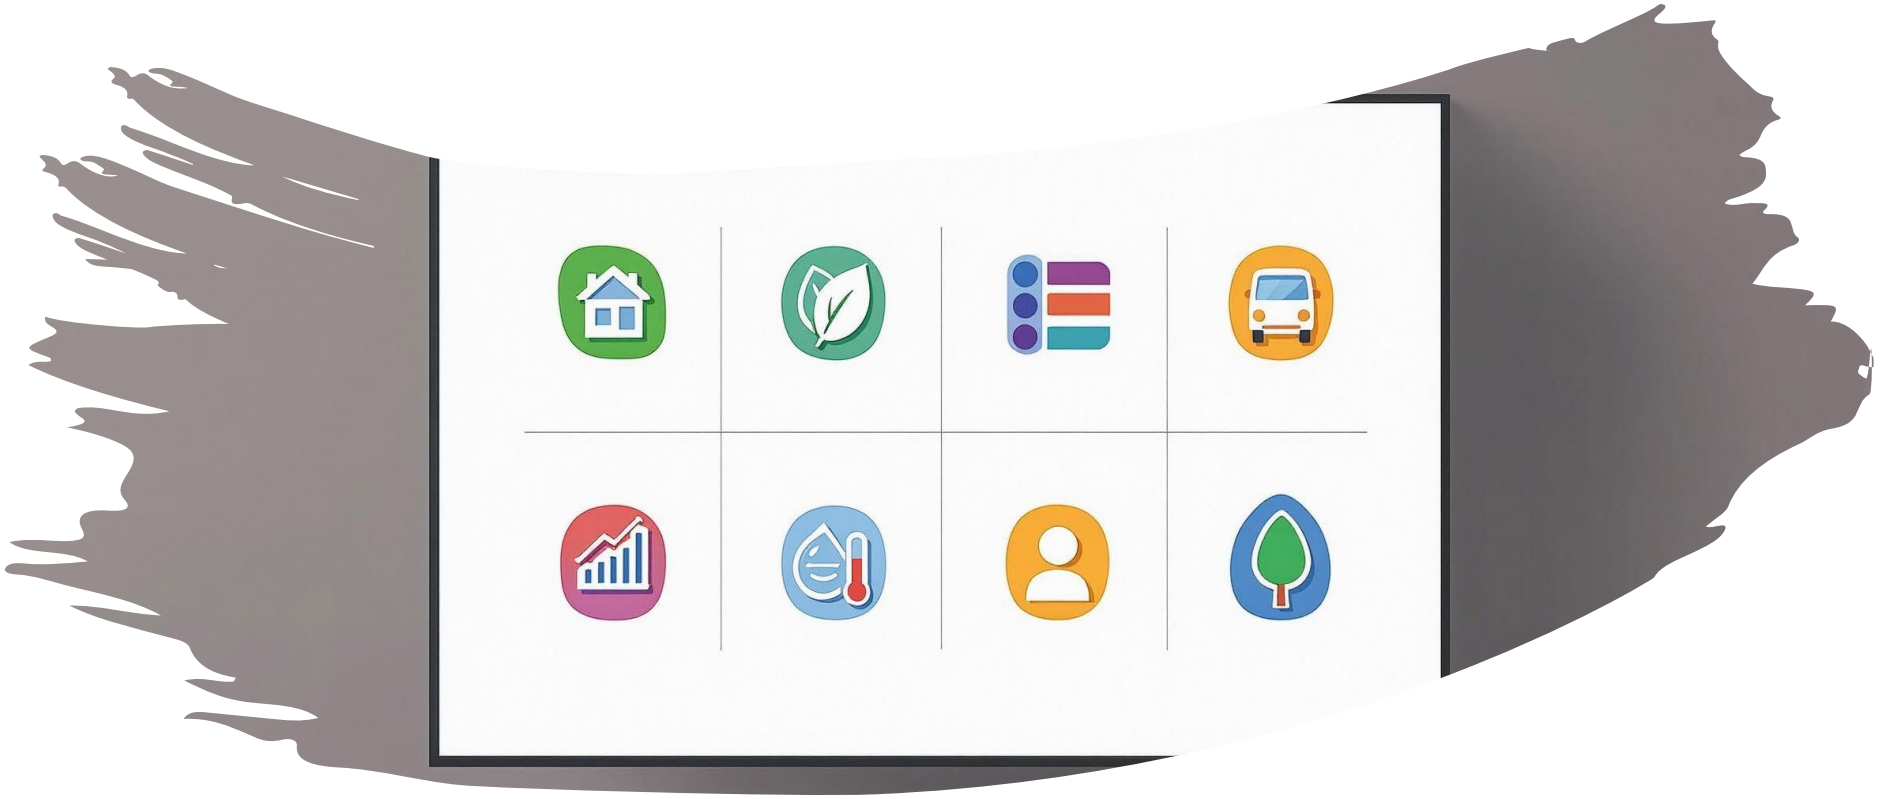


Nantes

Institutionalize missions beyond mandates

Barcelona

Governance + People

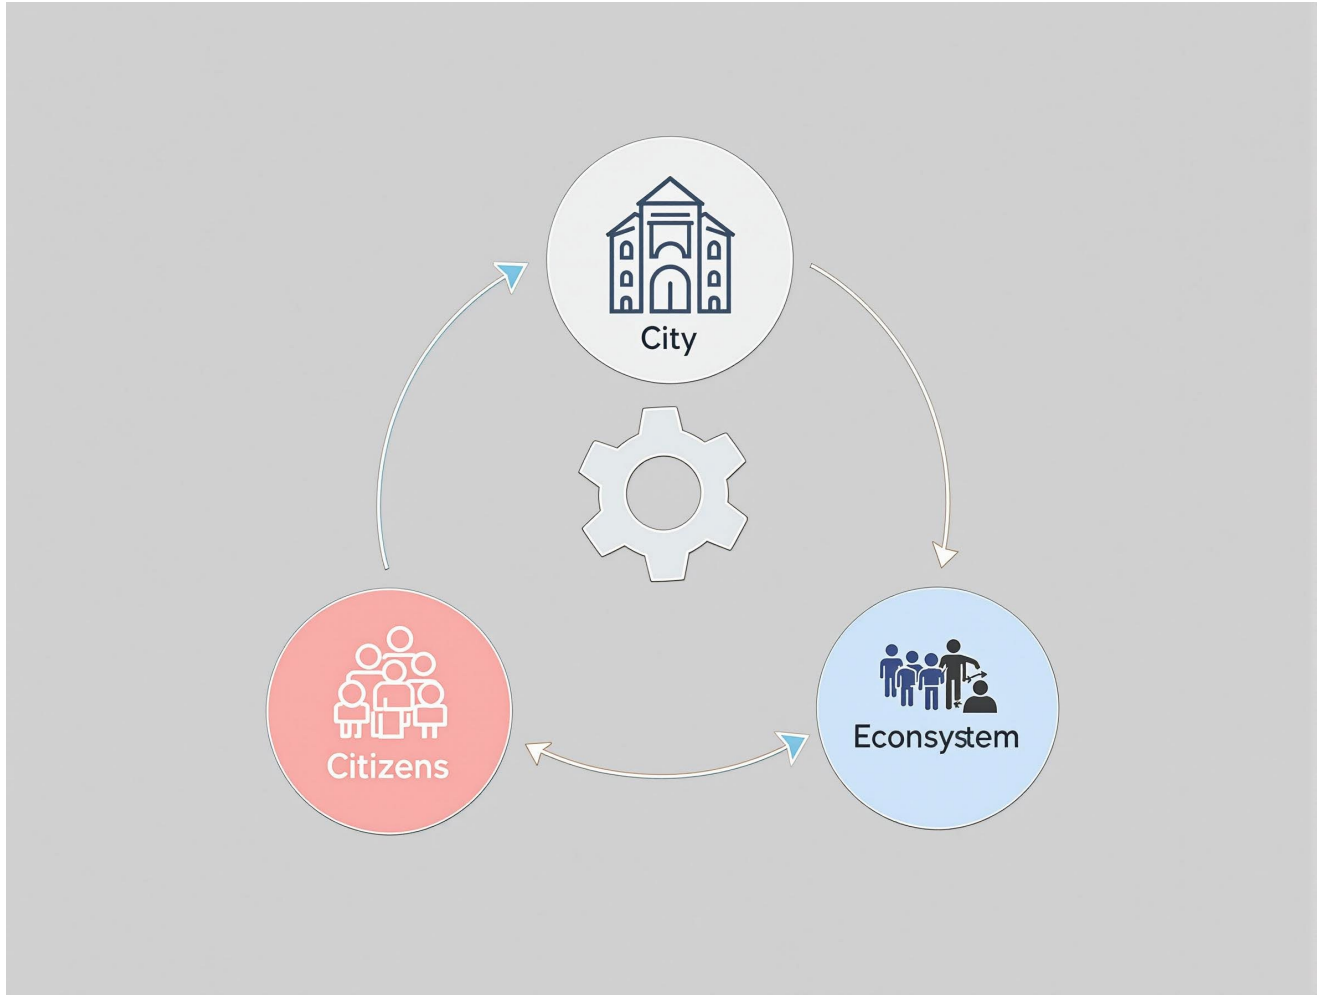


Barcelona

Measure to steer

Barcelona

Governance matters



mobility

inclusion

city lab

governance

How TEMMRA can strengthen its impact

Project 1: Mobility

Access + low emissions

Project 2: Inclusion

Housing + public space

Project 3: Laval City Lab

Test and learn

Project 4: Governance & measurement

Governance + metrics

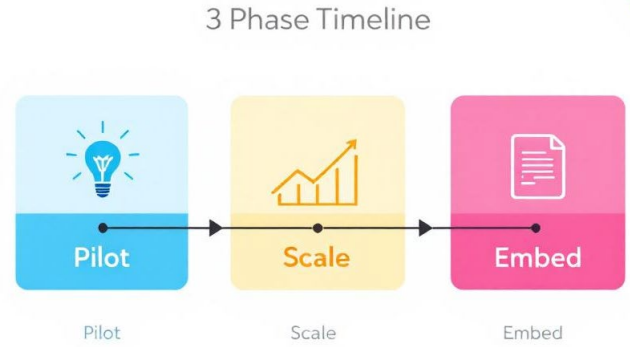
Nantes

Barcelona

TEMMRA

Building on TEMMRA’s foundations

Roadmap



¡Gracias!
Thank you!
